Dear Parents,

Students across the school are settling into classes and this week they have been setting their Term 1 Learning Goals. Parents are encouraged to discuss these learning goals with their children. Goals are specific to each students' needs and will assist them to focus on areas they have identified as needing attention in order to improve their results and reach class targets.

Next Monday our student leaders will visit Columboola Environmental Education Centre and participate in various activities designed to prepare them for teamwork and leadership. Our student leaders are excited about this excursion. They have already begun their leadership duties through running Parade and preparing for the interhouse swimming carnival being held tomorrow. Due to the Leadership Day, Parade will be held on Wednesday morning next week.

Meet and Greet - Next week we are inviting parents to attend information sessions to hear about the exciting programs teachers have planned for the year. This will also include information about classroom routines and is a great opportunity for parents to meet teachers. Information times are as follows.

### Schoolwide Expectation for Next Week

#### Week 3–I AIM, ACHIEVE & ASPIRE

Setting goals is an essential part of achieving something we wish to gain or do better at. Once we have an aim or a target, we can set goals to help us achieve it. Sometimes our aims are aspirational, which means that we may not actually achieve them, but we work with the standard and effort of trying to achieve them. There is no elevator to success, often we have to take the stairs, which means accepting that achievements come for the most part, from plain hard work, having high expectations and never giving up.

Years 9 & 10 students will be completing the remainder of their program in an overnight stay at Rockhampton in Week 10.

Meet and Greet Information Sessions

Flyers have gone home regarding the Meet and Greet session times for Primary and Secondary parents. We encourage all parents to attend these meetings to learn about their child’s program for 2017 and ask questions. Parents are also welcome to stay back after the main sessions to talk individually with teaching staff about matters that concern their child’s individual program.

2017 Swimming Timetable
